F|T FRIAR TUX

EVENT MEASUREMENT FORM

Initial Fitting: If you are not near a Friar Tux location, we suggest visiting a tailor or tuxedofit.com location near you. If you are charged for your fitting, we reimburse up to $15 with a receipt. Bring this form when you get measured and ask the specialist to complete the appropriate information.

Submitting Measurements: Visit **friartux.com/measurements** to submit measurements online or call any Friar Tux location. You can arrange to pick up your garments at a Friar Tux location or have them shipped to you for a small additional fee. (Shipping restrictions may apply.)

Final Fitting: If you are picking up at a Friar Tux location, please try garments on in-store on your scheduled date (which will be provided with your order confirmation). This is considered a final fitting, and adjustments or replacement garments may occasionally be needed. Please allow enough time so that we may provide the best fit for your garments.

If your order is shipped to you, please try on the garments within 48 hours of receiving your package. Instructions on contacting us for any help you might need are inside the packaging.

Payment: Friar Tux accepts cash or credit card and requires a credit card to be placed on file. Payment will be due at pick-up, or if order is being shipped, it will need to be paid for before the scheduled shipping date. You can also pay online at friartux.com/pay once we have entered your measurements.
